# THE HAIRDRESSER & THE LADY

## MARISSA EN HAAR KAPSTER

## LA COIFFEUSE ET LA DAME

## DIE FRESEUSE UND DIE DAME

Marissa was tall, blonde, rich and beautiful. Jannita, her hairdresser, made certain that her ponytail was always neatly trimmed so that it would not get in her lover's way.

Marissa was long, blond, rich en heel knap. Jannita, haar kapster, zorgde er voor dat het haar op haar kopje altijd knap geborsteld en gekamd was, zodat haar minnaars geen lasten tusschen de tanden kon krijgen.

Marissa était grande, blonde, riche et ravissante. Jannita, sa coiffeuse, soignait rigoureusement les poils de sa queue pour qu'ils ne gênent pas son amour.

Marissa war gross, blond, reich und sehr nett. Jannita, ihre Friseurin, versorgte die Haare ihres Vaters. Sie waren immer schön gekämmt und gebürstet, damit sie nicht zwischen die Zähne ihrer Freundin geraten konnten.
